Coogee 2034 N.S.W.

 30th May, 1985

Dear Sir/Madam;

Our Club is extremely enthusiastic to join your Underwater Nature Trail construction being planned. There are at least ten Divers who have submitted their names to me and are awaiting further information. We would appreciate any information you can supply us with regarding the project including a contact number.

Also, any information regarding your Dive Charters and Seminars could be sent to us at the same time.

Looking forward to hearing from you,

Ms. Lynn Webber
Secretary.
