Mr A.C. Leard,
Regional Manager,
Metropolitan Lands Office,
Department of Lands,
Box 39, G.P.O.,
Sydney. NSW 2001

Dear Mr Leard,

We have previously submitted to the Premier a proposal for the construction of an Underwater Nature Trail in Thompsons Bay (Gordons Bay) between Clovelly and Coogee.

The Premier has advised that there is no objection in principle to our proposal and that we should submit an application to the Department of Lands for approval to use the land below the high water mark as we have proposed.

Accordingly, we hereby formally apply for approval to proceed with the construction of the Underwater Nature trail as described in the following proposal.

As the best diving conditions in the area occur in winter time when westerly winds prevail, we would hope to begin this project in the near future.

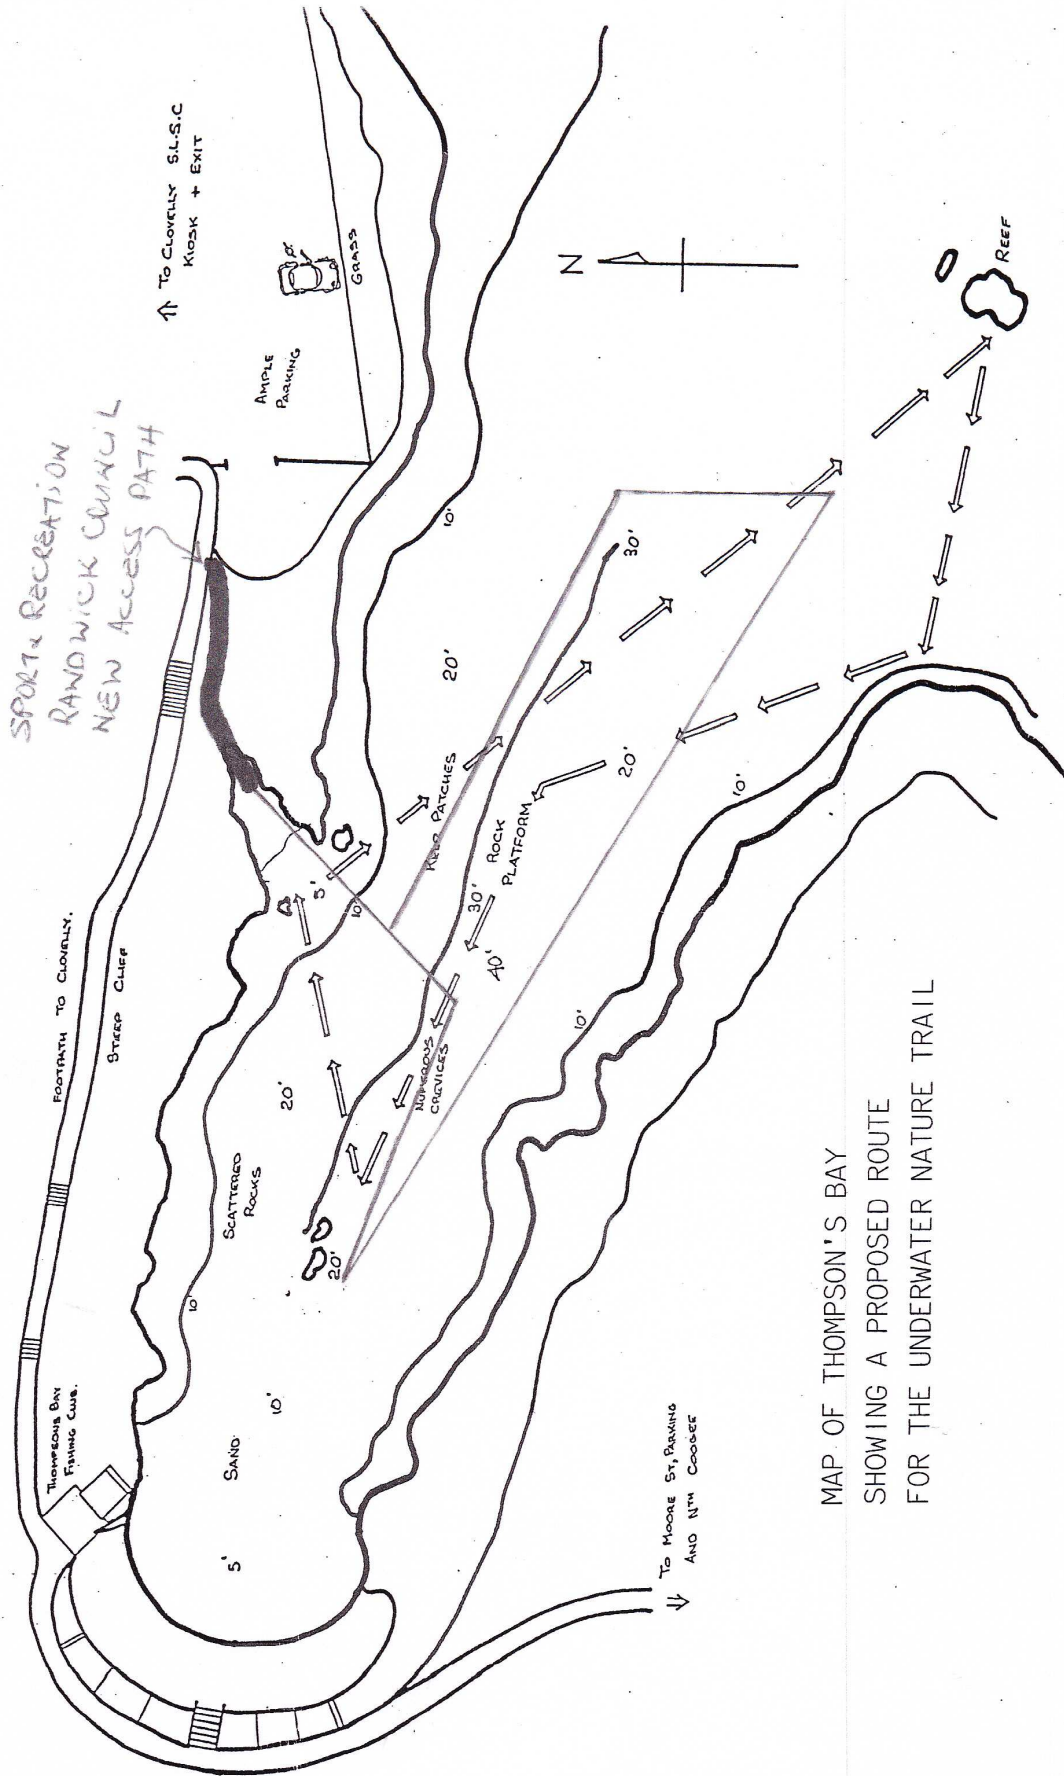

We look forward to your favourable reply.

Yours sincerely,
