Dear Sir

**UNDERWATER NATURE TRAIL IN THOMPSONS BAY BETWEEN CLOVELLY AND COOGEE**

We act for Pro Diving Services Pty. Limited of 27 Alfreda Street, Coogee and we have been handed a copy of that company's letter to you dated 9th April.

There are various matters which will arise for consideration. The principal matters with which we are directly concerned are those in relation to the indemnity to be provided by the company. Furthermore it would appear appropriate that a grant of permissive occupancy be given to the company as there are some elements of the proposal which involve structures being erected on the area.

We would be obliged if at your convenience you would telephone us in order that we may have the opportunity of discussing these matters with you so that the matter might be concluded as quickly as possible.

Yours truly,  
HENRY DAVIS YORK
